

LINDO

FREESTANDING SOAKER BATH - Premium Sanitary Grade Acrylic, High Gloss White

The Lindo's beautiful curves, coupled with extra high sides creates increased internal depth, that allows for full body submersion, while the shorter length saves on bathroom space. The reduced internal surface area also maintains water temperature for longer. Enjoy! *End waste position.*

- ✓ Adjustable self-supporting feet
- ✓ Lumbar support
- ✓ Full body submersion
- ✓ Thermally efficient
